The first floor of this lovely 2-story art gallery will have CGS Competition and gourd related sales and displays. The gallery is beautifully lighted on both ceiling and walls. There is a possibility of setting up a vendor table outside under the veranda and electricity is available outdoors. Everything would need to be brought indoors at night. There are brackets for hanging art or signage on the walls. Two wall-mounted television screens are available to run CDs of art or demos or products. This center presents well as a full gallery.

FGA will have demonstrations and “make and take” outside under the veranda.

The gallery is located right off Highway 50, is close to hotels, Restaurants and downtown Sacramento. It is next door to a Regional Transit station.

NOTE: Vendor fees are WAIVED.

A wine and appetizer reception will be held Saturday night at 5pm.

Please review the attached applications prior to submitting them.
